

February 9, 1973

let's vote again. All those in favor--the motion is to indefinitely postpone L.B. 35. All those in favor vote aye. All those opposed vote no. And once again the Chair would inquire, have you all voted? Have you all voted? Clerk will record.

CLERK: Roll call read. 13 nays, 24 nays, 12 not voting.

SPEAKER: Motion to indefinitely postpone fails. We're back to Senator Keyes' bill, now. Senator Keyes.

SENATOR KEYES: I move for the advancement of the bill then.

SPEAKER: Is there any further discussion of the bill. The question is shall L.B. 35 as amended be advanced from general file to E&R initial. All those in favor of advancing the bill vote aye. All those opposed vote no. Once again the Chair would inquire if you have all voted. The Clerk will record.

CLERK: 33 ayes. No nays, 16 not voting.

SPEAKER: Bill as amended is advanced. Move to the general file consideration of L.B. 74.

CLERK: Legislative Bill No. 74 introduced by Senator Anderson. Mr. President, the title had been read and the committee amendments were adopted and the bill has been laid over.

SPEAKER: Chair recognizes Senator Anderson.

SENATOR ANDERSON: Mr. President, there are some amendments being prepared for this bill and I ask unanimous consent to lay it over until tomorrow.

SPEAKER: Are there objections to laying L.B. 74 over until tomorrow? Any objections? Hearing none, so ordered the bill is laid over. We will move to the general file consideration of L.B. 117. held by the Appropriations Committee.

CLERK: Legislative Bill 117 introduced by the Appropriations Committee signed by Senators Marvel, Savage, Simpson, Whitney, Johnson, Nore and Clark. (read). There are no committee amendments.

SPEAKER: Chair recognizes Senator Marvel.

MARVEL: I would like to make a statement. First of all, that the next six bills are all similar bills that create special type funds and I will be glad to explain each one of them in any detail you like. First, I would move that 117 be advanced to E&R initial. 117 sets up a cash fund for the 1976 Bicentennial and simply allows this Commission to receive funds for the sale of medals and/or other devices that might be appropriate in commemorating the 200th anniversary of the birth of the country. All it does is set up a cash fund. It can be spent only by this department for their own activities. They have no other way to receive benefits from the sale of any medals, etc. So I renew my motion to advance the bill.

SPEAKER: Is there any further discussion of the bill? Senator Schmit, did you wish to be recognized? The question is shall L.B. 117 be advanced from general file to E&R initial? All those in favor vote aye. All those opposed vote no. The motion before us is to advance L.B. 117. Have you all voted? Once again the Chair would ask if you have all voted. Thank you. The Clerk will record.

CLERK: 36 ayes, no nays, 13 not voting.

SPEAKER: Bill is advanced. Move to the general file consideration
